PROFESSIONAL EXPERIENCE

Manyone - Industrial Design Intern 02/2020 - Present
Full time internship split between client projects and master thesis.

Zenit Design - Industrial Design Intern 08/2019 - 11/2019
During my three month internship at Zenit Design I worked on several industrial and graphic design projects, both as part of a design team and independently with the guidance of a creative director.

Epos of Sweden - Industrial Designer 08/2016 - 11/2017
My responsibilities at Epos of Sweden included designing products, packaging, brand identity, website, marketing material and producing technical drawings for production.

Cadson Production - Industrial Designer 08/2016 - 11/2017
At Cadson Production I designed products, prototypes and graphic material independently and in collaboration with colleagues. I partook in the whole product development process from ideation to production in both internal and external projects.

Cadson Production - Design Intern 04/2016 - 07/2016
Full time internship as part of my education at Malmö University.
